ENEX Editorial Coverage 2026

Upcoming: Trump's Mid-Term Battleground

Platform Evolution: The Next Steps

- NXP 2.0 brings an end to the ENEX website Q1 2027
- Partner migration project ongoing
- Streamlined internal workflows and next-generation partner interface
- Optimize support and streaming costs

ENEX Live Beyond Satellite

- Year-long reach-out to ensure non-satellite connectivity for ALL
- Technical issues solved, hardware sourced in cooperation with LiveU
- Non-LiveU solutions tested and implemented (IP, NOC etc)
- Second phase to ensure editorial communication is efficient and effective

Strengthening the Network

Ensuring you get what you need in a changing media landscape

The Audio Marketplace - TAM

Now launched audio resource

MP3 files taken from video

Monetization opportunity

Supplying LENS podcast and newsletter

The screenshot displays the TAM website interface. At the top, there is a navigation bar with the TAM logo (The Audio Marketplace) and three menu items: "Explore", "Publication", and "Transactions". Below the navigation bar, a grid of 12 audio offerings is presented. Each offering consists of a video thumbnail, a title, a source, and a status label. The offerings are as follows:

- Offering 1:** French presidential race wide open behind frontrunner Le Pen:... Agence France-Presse. Status: Offering.
- Offering 2:** Iran Has Offered US Seven-Day Plan For Hormuz Reopening, Araghchi Says ENEX. Status: Offering already acquired.
- Offering 3:** Musk Says Humanoid Robots Could Outpace Humans In Reaction Withi... ENEX. Status: Offering already acquired.
